PRODUCT GALLERY

Introduce a bold statement to your interiors with the Lilac Series, featuring striking purple veins set against a backdrop of pristine white marble. This collection offers three elegant tile shapes—3x12, 12x24, and 18x36—designed to create a sophisticated and visually captivating space. Complementing the tiles are four intricate mosaic patterns: penny round, hexagon, herringbone, and picket, along with a coordinating trim to complete the look. The honed finish enhances the natural beauty of the marble, making the Lilac Series an ideal choice for those seeking to infuse their spaces with a unique blend of luxury and artistic flair.
