PRODUCT GALLERY

Evoking the hidden artistry of a Kyoto kiln, this collection captures the quiet mastery of Japanese halo glazing. Each piece features organic color drifts and a ribbed texture that invites light to dance, creating a visual depth that standard flat tiles simply cannot mimic. From the curve of a pool waterline to the expanse of a modern facade, the porcelain body transitions seamlessly between interior and exterior spaces. It delivers a lived-in authenticity, grounding baths, spas, and living areas with a material that feels both generational and refined.
