## PRODUCT GALLERY

---

Eigo proves that true character comes from process, not patterns. Curated for its material integrity, this series features a 2.5x9 field tile and matching 0.63x7.5 trim that embrace the subtle irregularities of traditional ceramic firing. The collection explores the duality of glaze through two finishes: a high-shine glossy that captures the light, and a smooth matte that absorbs it. The palette moves beyond simple swatches into living color, spanning from the botanical grounds of Olive and Tea Leaves to the moody, atmospheric weight of Storm and Night. Eigo delivers the modular elegance and vibrant depth required to create spaces of distinction.
