PRODUCT GALLERY

The Forte series offers a diverse palette of eight colors, ranging from neutral to bold, ensuring a perfect match for various interior and exterior designs. These tiles come in a substantial subway size of 3.5x14.5 inches, ideal for residential indoor wall and floor applications, as well as exterior wall applications. The low variation in color and matte finish on the porcelain body contribute to a sleek and modern look. The large size is particularly well-suited for creative layouts such as herringbone, stacked, or offset patterns, making it a versatile choice for enhancing any space.
