PRODUCT GALLERY

Interlace layers geometric squares across a single plane, where waterjet precision embeds a cross within the pattern. Dove's soft neutrals settle everyday floors with calm familiarity, while Clay warms the intimate corners of a room. Imagine it gracing halls and lofts, where it rests effortlessly against oak trim and aged plaster. The subtle structure elevates entry floors and bath walls into quiet elegance. It honors the heirlooms already there, turning everyday surfaces into something that simply belong.
