PRODUCT GALLERY

Suna begins where raw clay meets fire; where natural reactions defy manufactured uniformity. Channeling time-honored Japanese kiln techniques, these small-batch 1x6 kit-kat tiles feature speckled, organic texture born from mineral reactions and kiln heat. The stacked linear profile cleans up visual clutter to provide a structured backdrop, adding to the warmth of this ceramic mosaic. Finished with mixed glazes in Matte and Glossy like Tidal Blue and Mud, Suna brings a soothing and living aesthetic to any space. From kitchen backsplash to pool lining, Suna delivers the balance designers seek when clients crave authenticity over manufactured perfection.
